Getting to know two ladies at Living Way Church

Sara Jane Clegg

Sara Jane has been coming to Living Way church since July 31, 1985 – which happens to be the day she was born! Ok, maybe she didn’t come THAT day, but you get the picture – all of her life! She is the daughter of Pastor Bruce and

Kathy Clegg. Sara Jane has 4 sisters and 2 brothers: Jeffifer, Tamie, Robin, Stephanie, Bruce Jr., and Brandon. She recently had the privilege of being Stephanie’s Maid of Honor at her May wedding.

Sara Jane is employed at Excel Realty Holdings as an accounting assistant/receptionist. She has worked there for almost a year and a half now. She graduated from high school in 2003.

At Living Way Church, she has taught various ages of Sunday School classes and assisted in Super-Church. She works in the nursery and assists Jessica Morgan in coordinating the nursery helpers. Sara Jane is just a couple of classes shy of receiving her two-year Bible diploma at Berean Bible College.

Her most recent and thrilling experience was going to Ghana with our LWC Missions Team. She loved working with the children and fell in love with one particular girl. She came to really love the people she went with on the trip and says they still meet to “hang out” and reminisce. They recently watched their raw video footage and also watched the movie “The Gods Must Be Crazy.” She definitely wants to go to Africa again if there is another trip planned for the future.

In her spare time she is currently catching up on the first 2 seasons of the TV show “Lost.”. She loves her little dog, Delila (who she says is a “rat” terrier), and enjoys playing with her. Shopping, going to movies and going up to Julian with friends are other things she likes to do. She has season passes to Disneyland and tries to go when she can. She’d like to take dancing lessons, and has already take ballroom dance lessons. As I’ve written about all the young, single women, Sara Jane wants to marry someday and raise a family and knows it will be in God’s perfect timing.

Her favorite Bible scripture is Psalm 27:4, “Delight yourself in the Lord and He will give you the desires of your heart.”

Sara Jane has a friendly character and sweet spirit, so give her a “high 5” when you see her.

Clara Sloan

Clara has been attending Living Way Church *this time around* for a year now. In 1996 she and her husband, Bob, moved to Kentucky and prior to that they had been at LWC for 11 years, when they moved to Poway in 1985.

Clara and Bob have 6 children – 4 girls and 2 boys. Four of them live in California, 1 lives in Montana and 1 lives in Ohio (where Clara will be spending Thanksgiving this year). She has 20 grandchildren, and 7 great-grandchildren, many of who keep her busy and entertained. If Valerie Balcombe, her daughter, is our church “matriarch” then that makes Clara our “grand matriarch.” Yes?

Through the years at various churches, Clara has been quite involved in all aspects of Sunday School. At one church she was Sunday School Superintendent, and she has taught many Sunday School classes over the years. She was the leader of a women’s missionary society at one church. Missionaries would come speak and Clara’s church would raise money for missions. She and Bob were involved in the seniors group in Kentucky, called Sonshiners. She is currently active in our Forerunners senior group at LWC. She recently went on the Alaska cruise with them in September.

Clara and Bob were married for almost 52 years before Bob passed away in 2004. He was in the Marines so they lived in quite a few places – Georgia; Virginia; Washington D.C.; Little Rock, Arkansas; New Orleans, Louisiana; Twenty Nine Palms, and Barstow, CA, then Hawaii, back to San Diego, then Poway.

She likes reading mysteries and enjoys Sudoku. She is a big game player, too – bunko, cards and board games. She loves when her great-grandchildren spend the night. But her pride and joy is Priscilla, her Boston Terrier – 10 pounds of joy!

Her favorite scripture Proverbs 3:5-6, in The Message translation: “Trust God from the bottom of your heart; don’t try to figure out everything on your own. Listen to God’s voice in everything you do, everywhere you go, he’s the one who will keep you on track.” She loves the Word of God and what she uses most every day is Psalm 119:165, “Great peace have they that love thy law, and nothing shall offend them.”

Clara is someone who you immediately love and feel you can call “mom,” so say “hi, Mom” to her!!

Some Interesting Facts & Uses for WD-40

WD-40 began from a search for a rust preventative solvent and degreaser to protect missile parts in 1953 by three technicians at the San Diego Rocket Chemical Company. Its name comes from the project that was to find a “water displacement” compound. They were successful with the 40th formulation. Ken East, one of the original founders, says there is nothing in WD-40 that would hurt you.

Try some of these following uses for WD-40.

- Protects silver from tarnishing.
- Cleans and lubricates guitar strings.
- Gives floors that “just-waxed” sheen without making it slippery.
- Keeps flies off cows (anybody out there got a cow?)
- Restores and cleans chalkboards.
- Removes lipstick stains.
- Loosens stubborn zippers. (For when you’re in a hurry.)
- Untangles jewelry chains.
- Removes stains from stainless steel sinks.
- Removes dirt and grime from the barbecue grill.
- Keeps ceramic/terracotta garden pots from oxidizing.
- Removes tomato stains from clothing.
- Keeps glass shower doors free of water spots.
- Camouflages scratches in ceramic & marble floors.
- Keeps scissors working smoothly.
- Gives a children’s play gym slide a shine for a super fast slide.
- Lubricates tracks in sticking home windows and makes them easier to open.
- Spraying an umbrella stem makes it easier to open and close.
- Restores and cleans padded leather dashboards in vehicles, as well as vinyl bumpers.
- Lubricates and stops squeaks in electric fans.
- Removes splattered grease on stove.
- Keeps bathroom mirror from fogging.
- Keeps pigeons off the balcony (they hate the smell).
- Removes all traces of duct tape.
- Use it for fire ant bites. It takes the sting away immediately and stops the itch.
- Its great for removing crayon from walls. Spray on the mark and wipe with a clean rag.
- If a tube of lipstick gets washed and dried in a load of laundry by accident, saturate the lipstick spots with WD-40 and re-wash. Presto! Lipstick is gone!

(continued in next column)

- Use WD-40 for those nasty tar and scuff marks on flooring. It doesn’t seem to harm the finish and you won’t have to scrub nearly as hard to get them off. Just remember to open some windows if you have a lot of marks.
- Use it to take off bug guts on your car.
- Rids kids rocking chairs and swings of squeaky noises.
- Restores and cleans roof racks on vehicles.
- Lubricates wheel sprockets on tricycles, wagons and bicycles for easy handling.
- Florida’s favorite use is “Cleans and removes love bugs from grills and bumpers.”
- The favorite use in the state of New York – WD-40 protects the Statue of Liberty from the elements.

P.S. The basic ingredient in WD-40 is FISH OIL.
